

NURSE ALICE

America's Favorite Nurse™

has appeared on several national television and radio shows and is the health expert that producers turn to when looking for a professional, knowledgeable and enthusiastic guest who always has her finger on the pulse when it comes to the latest and greatest in health news and wellness tips. She has appeared on top American shows including Dr. Oz, The Doctors, and Dr. Drew and contributed to FOX, HLN, CNN, TV One and Soul of the South.

As a nurse, mother, and author, she is very passionate about the health of our families and communities.

WHY NURSE ALICE?

When you choose to work with Nurse Alice, you are working with one of the nation's most talented and media savvy health professionals **with over two decades of experience.**

Nurse Alice is intelligent, passionate, charismatic and admired for her ability to relate to audiences on so many different levels. She is incredibly talented at translating complex health information into bite size doses that the public can digest and understand. It is no secret that nurses have been the most trusted profession by the Gallop Polls for over 15 years, so working with Nurse Alice just makes sense.
